Description

This small, 2-storey budget house is located in close beach vicinity (1.5 km) to famous Naiharn Beach. It is either an affordable place to stay for people, who do not have high expectations of luxury accommodation, or an addition to the main villa NM01, which is located directly adjacent. The house has 2 separate bedrooms and is suited for 4 persons. Combined with the main villa it would offer accommodation for a total of 12 persons. The house features a small plunge pool an a large garden area. It is located in a quiet street, within walking distance to the shopping facilities, Restaurants, Bakeries and Bars of Nai Harn. The L-shaped kitchen is fully equipped incl. coffee maker and micro wave and is connected to a covered open-air dining area. The two bedrooms are both air-conditioned and each has a separate bathroom. white, wooden kitchen cabinets create an impressive vibe. The rooms are just basically equipped, but may be sufficient for people who give more value to sun, sand and sea. Just around the corner - Nai Harn has everything the chilled out holidaymaker could require. Naiharn is relatively quiet and has a very laid back, relaxing atmosphere. The beach is one of the best in Phuket and nearby Promthep Cape is said to be the best spot for watching beautiful sunsets.
