Description

The Villa is located in the attractive Southern area of the Island Phuket. Conveniently close to the famous National Park and in direct beach vicinity to one of the most beautiful and unspoiled beaches at Naiharn beach, lays this beautiful property. The villa is part of an exclusive Nai Harn Land Development. It was originally a rice paddy surrounded by greenish mountains. Nai Harn is the famous place for island tour activities and seafood restaurants. Driving only 10minutes from the villa, Promthep Cape offers a stunning sunset and panoramic view. The property has been built in the year 2004 on a plot of land bearing a total of 920 sqm. Pure living space amounts to 240 sqm plus the roofed areas and the covered outside Sala, which offers additionally 90 sqm. Passing a 24-hour secured entrance, a Frangipani avenue leads - along its own lagoon - to the property. Only the villa owners and their visitors are allowed to use this private road and therefore no other traffic disturbs this unique seclusion. Villa VM01 comprises a main house at ground floor level with modern, fully equipped kitchen, dining area and the actual living area. For optimal air-circulation and cooling, the ceiling height is set to a proud 6.5 mtr. The second building offers two floors with two guest rooms. The larger bedroom is situated in the upper floor with generous Walk-in cabinet and a large shower area. Altogether there are three bedrooms equipped with king-size beds, featuring their own bathrooms with shower and decorated with high-value marble- and granite interiors. Both buildings are protected with alarm systems and are centered towards a generous pool with Jacuzzi. The adjacent terrace with covered Sala and tropical garden accomplishes a perfectly maintained, luxurious standard. A covered carport, a separate storage and maintenance room with washing machine etc. are the obvious supplements for an individual vacation. Much attention is spent to details, which are decently illuminated at night. The main entrance as well as the pavilion is decorated with small fish ponds. Wall frescos together with carefully selected, tropical plants may render the name "Soul of Asia" to this prestigious property. A full-time maid is available once a week, but at extra costs this service can be arranged more often. The office is equipped with int. telephone, a desktop computer with widescreen monitor, integrated LAN, webcam and free Internet High-speed access is installed. Network is unprotected and can be used by any guest. Satellite TV (UBC) is available and offers a wide range of interntl. TV programs. For evening entertainment there are in total 3 TV stations incl. DVD-Player and approx. 600 movies available.
